Jon K. Bornholm
Superfund Project Manager

TO: Addressees

You are requested to attend a meeting scheduled for January 22, 1991 to discuss with the Potentially Responsible Parties (PRPs) and their consultant, Sirrine Environmental Consultants (SEC), the draft Remedial Investigation report and the draft Feasibility Study document for the Medley Farm Superfund Site. The meeting is scheduled to begin at 2:00 in Jack Stonebraker's old office now referred to as Conference Room #3 on the first floor. The primary purpose of this meeting is to discuss the State's and Agency's concerns with respect to the Draft RI and if time allows, preliminary concerns on the draft FS.

If you have any questions, I can be reached at 347-7791.
